

# Fibrewood Objects

## Use and Care Instructions

---

Thank you for choosing Fibrewood Objects. Before using your handcrafted product, be sure to follow the instructions provided:

- Never use it with sharp tools
- Keep the product out of direct sunlight and heat
- Every piece is resistant to 90°C
- Fibrewood Objects is not microwavable and cannot be used in an oven
- Never keep it in a fridge or freezer

### Cleaning

- Do not use dishwasher
- Wash the piece only under warm water with gentle soap and soft sponge
- Refrain from using stainless steel scrub or scouring pad

- Do not use any highly acidic cleaning agents
- If food stain still occurs, we recommend several washes
- Never leave the product to soak or in damp conditions
- Dry the product thoroughly with a soft cloth immediately after rinsing

### Storage

- Store it in a cool and dry place
- Avoid stacking Fibrewood Objects under other products to prevent scratches on the surface
